Govt. College of Nursing, Kottayam

Govt. College of Nursing, Kottayam is one of the pioneer institutions of Nursing education in Kerala. It was started in May 1982 as the third Govt. College of Nursing in Kerala. The institution offers innovative learning approach through classroom teaching with the help of modern technology and clinical teaching with a vision to prepare global nurses with perfect knowledge, right attitude and accurate skill. Institution has made significant and unparalleled contributions to the Nursing community and society in terms of producing numerous professionals who are serving in different domains in various parts of the globe.

Inauguration & Key Note Address
Dr. Valsamma Joseph, Former Principal
(Govt. College of Nursing, Kottayam)

Inter University Centre for Disability Studies [IUCDS]

IUCDS is a centre under M.G University, Kottayam addressing the physical, psychological and socio cultural issues related to disability based on interdisciplinary studies for evolving sustainable solutions. It also develops higher level professionals in the field of disability studies. This centre establishes linkages with national and International organizations to collaborate academic and research programmes.
