1. GOVERNMENT COLLEGE OF NURSING, KOTTAYAM

1.1. History

Government College of Nursing, Kottayam was established in May 1982 as the third Government College of Nursing in Kerala. The college was started with four year B.Sc Nursing Degree course. The first batch of students were admitted on 31-1-1983. College functioned in the Medical College campus of Thiruvananthapuram from 1983 to 1985, as the physical facilities were inadequate at Kottayam. In November 1985, the college was shifted to Kottayam with three batches of students and started functioning in the old administrative block of Medical College, Kottayam. The new building for the college was inaugurated on 29-6-1997 by Shri. A.C. Shanmugha Das, the Honourable Minister for Health and Family Welfare.

General Nursing and Midwifery programme was started in 2000 under Tribal Sub Plan. Post Graduate Nursing programme was started in 2004 . In 2011, Post Basic Diploma in Nursing programme was started in five specialties.

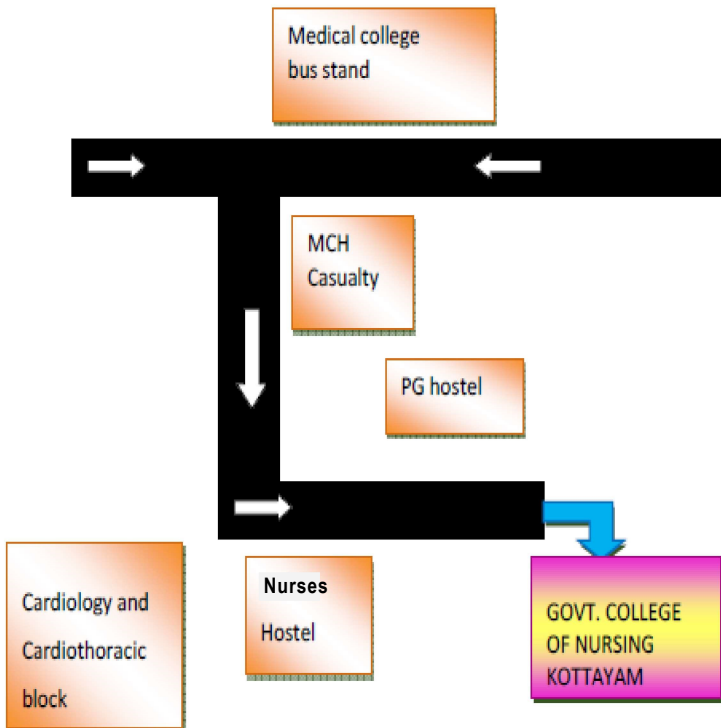

This college is recognised by Indian Nursing Council and Kerala Nurses and Midwives Council and is affiliated to Kerala University of Health Sciences.

College is recognised as PhD study Centre by MG University in the year 2011. In 2016 college is recognized as a Research center of Kerala University of Health Sciences, Thrissur.

1.2. Location

Govt. College of Nursing is located eight kilometers away from Kottayam town and is situated within the Medical College Campus.

1.4 Organization Chart

1.5 Philosophy

The faculty, Govt. College of Nursing believe that nursing is a professional discipline based on the holistic concept of health care, directed towards rendering quality care to the clients with commitment & compassion.

We believe health as a dynamic state of being on a continuum from optimal wellness to illness and a state of health exists when a person functions as an integrated whole, living and interacting with environments in a productive manner.

We believe the profession of nursing makes an essential contribution to society and education for professional Nursing is best conducted in an institution of higher learning.

We believe Nursing Education takes place through a planned teaching learning process and this education prepares the student for professional practice and leadership roles within an ever changing health care industry.

We believe Nursing Education at the masters level is specifically concerned with preparing Nurses with advanced practice skills to provide expert nursing care to society & contribute to nursing science as mentors.

We believe that professional nurses contribute to the nursing research, work toward continued improvement & growth of nursing.

6 Vision

Govt.College of Nursing, Kottayam strives for excellence in nursing education and research, enlightens the graduates to practice globally contributing to high standards of health care.

1.7 Mission
